15,365lbs in 2020

2,410lbs in September

Friends of Lake Robinson

The Friends of Lake Robison group volunteer for both the county Adopt a Road program and the state Adopt a Highway program.

They have been active members since 2013 and have cleaned more than 900lbs of trash off the road during their last two cleanups.

Weird Find

Friends of Lake Robinson found a RV door on the side of the road.

The Owings Family

The Owings Family cleaned their Adopt a Road for the American Heritage Girls National Day of Service .

This day all troops nationwide do service projects to benefit their community. These girls enlisted their brothers help also. Great Job!

Wanted!

The Litter Ends Here Litter Surveillance program caught these three people on camera that we need help identifying. If you know who these people are please let the [Greenville County Sheriff's Office](#) know.

Future Leaders!

Hampton Park Christian School students volunteered their time to clean up trash around Tree Top Quest at **Greenville County Rec's Westside Park**. In just a few hours they cleaned over a thousand pounds of trash from two abandoned homeless encampments and helped spread some mulch.

Volunteer Opportunity

JOIN FRIENDS OF THE REEDY RIVER FOR A CLEANUP AT YOUR HOME!

Get your family or quarantine team together to do a cleanup in your location, at a time convenient for you between October 3 and October 17! Your cleanup can be on land or water, in your neighborhood, park, trail, etc. - anywhere that there may be trash!

TARP IT or WE TICKET

Thanks to a wonderful partnership with the **Greenville County Sheriff's Office** and **Palmetto Pride** we were able to handout free tarps at the Simpsonville Convenience Center on Hipps Road, while teaching people about the importance of having their loads secured.

FREE TARPS

Making a Splash!

The Litter Ends Here program was honored to be part of Greenville County Rec's **Waggin' in the Waterpark** event! We loved watching the pups play, run, and splash around while we talked to their "paw"rents about how they can help end litter in Greenville County.
